**Georgina Nurse
Practitioner Led Clinic -
21071 Dalton Road, Sutton**

Call to book: 905-722-3251

The **Georgina NP Led Clinic** is running a pop-up cervical screening clinic to provide a **one time HPV test** (previously known as PAP Test) for those who are **due, over due or facing barriers to screening**.

Who is eligible?

- Has it been 3+ years since your last pap test?
- Eligible women, two spirit, transmasculine, and nonbinary people with a cervix are encouraged to book.
- Appointments are available for those with or without a family doctor.

What to expect?

- Screening appointments take about 20 minutes
- No referral is required
- **Self-sampling** is available for eligible patients
- **Female providers available**
